

LIGHTNING POLICY:

1. If lightning strikes practice/play should immediately stop and staff, players and spectators should proceed to a safe shelter.
2. There is a mandatory wait period of 30 minutes before returning to the fields
3. If during the 30-minute wait period, another strike is seen or clap of thunder is heard, the clock resets to a new 30-minute wait period.
4. If teams are able to return to play and a game is scheduled on the same field immediately following the impacted game, the impacted game will end on time, so the remaining game and referee schedules are not impacted by the delay.
